Funding Opportunities and Awards

- Canadian Frailty Network Summer Studentship
- Canadian Liver Foundation Summer Studentship
- Child Neurology Foundation Neurodevelopmental Disabilities Summer Research Scholarship

Upcoming Events

- FestEVOLVE 2017 at the Beaty Biodiversity Museum
- Student Biotechnology Network Biotech Expo and Conference 2017
- UBC Centre for Blood Research 2017 Norman Bethune Symposium

Additional Research and Scholarship Opportunities & Resources

Funding Opportunities and Awards

[Canadian Frailty Network Summer Studentship](#)

Deadline: Feb 15, 2017 (indication of intent); Feb 28, 2017 (application)

The Canadian Frailty Network offers awards of up to \$4000 to Canadian **MD and non-MD undergraduates** to conduct research related to improving healthcare for older Canadians living with frailty. Awards must be matched by the student's supervisor. Students must have completed their first year of study. **Note that applicants must submit an Indication of Intent by February 15.** The full application is due February 28. Visit the website for more information.

[Canadian Liver Foundation Summer Studentship](#)

Deadline: Mar 31, 2017

The Canadian Liver Foundation (CLF) is offering one summer studentship to an **undergraduate student** in Canada conducting hepatobiliary research supervised by a member of the Canadian Association for the Study of the Liver (CASL). The successful applicant will receive a stipend of \$3,500 plus \$500 for supplies for three months of full-time research between May to August. Visit the website for full application details.

[Child Neurology Foundation Neurodevelopmental Disabilities Summer Research Scholarship](#)

Deadline: Apr 1, 2017

The Child Neurology Foundation is offering one summer clinical research scholarship for a **1st or 2nd year MD student** at a US or Canadian university interested in the field of neurodevelopmental disabilities (NDD) in children. The successful applicant will receive a scholarship of \$3,500 to support a summer research project under the mentorship of a child neurology/NDD specialist. Please visit the website for more information.

Upcoming Events

[FestEVOLVE 2017 at the Beaty Biodiversity Museum](#)

Date: Feb 11-19, 2017

Location: Beaty Biodiversity Museum, 2212 Main Mall, Vancouver

The Beaty Biodiversity Museum is hosting its annual FestEVOLVE in celebration of Charles Darwin and the evolution of life. Learn more about evolution through activities such as "Bake A Cake For Darwin" and "Beaty Nocturnal." This week-long event is open to all members of the public. Please visit the website for more event details

[Student Biotechnology Network Biotech Expo and Conference 2017](#)

Date: Feb 23, 2017; 5:30-9:00PM

Location: Jack Poole Hall, Robert H. Lee Alumni Centre, 6163 University Blvd, Vancouver

The Student Biotechnology Network's annual Biotech Expo and Conference aims to showcase the highlights of the BC Biotech and Life Sciences industry. The event will include a formal networking event, breakout sessions exploring career paths, and chances to meet with exhibitors and leaders in BC's life science and biotech industry. For further information and [registration](#), visit the website linked above. Registration is \$40 and closes on February 15.

[UBC Centre for Blood Research 2017 Norman Bethune Symposium](#)

Date: Apr 6, 2017

Location: Segal Building, 500 Granville St, Vancouver

The Centre for Blood Research (CBR) invites the public to the annual Norman Bethune Symposium for a day of presentations alongside a wine and cheese reception and a poster session. The symposium is soliciting student poster and abstract submissions. Please visit the website for more details. [Early bird registration](#) is \$29 for students until March 15. Please note that time away from the MD program requires advance approval of an absence request.

Event Reminders

[CHSPR 2017 Health Policy Conference: Taking the Pulse](#) – Mar 9-10, 2017

[Engage Heart + Lung Health FEST 2017](#) – Mar 15-18, 2017

[Clinical Research Ethics Board Office Drop-In Sessions](#) – Every 2nd & 4th Monday of the month

For additional event listing visit: <http://med.ubc.ca/current-learners/research/events/>.

Follow this [link](#) for a list of **ongoing events and seminar series** that may be of interest to MD students.
