[Canadian Liver Foundation Summer Studentship](#)

Deadline: April 2, 2013

The Canadian Liver Foundation Summer Studentship Program provides an opportunity for a limited number of well-motivated students with records of strong academic performance to participate in liver-related research. A total of five summer studentships are available. Applications are open to currently registered **undergraduate students** at Canadian institutions. Canadian citizens, landed immigrants and permanent residents will receive first consideration. Each award will be for any three summer months (May-August). The award will be \$3500 for the student's stipend plus \$500 for supplies. For additional details please visit the website ([hyperlinked above](#)).
