[Brain Matters! Vancouver](#)

Date: March 12-14, 2014

Location: [Morris J. Wosk Centre for Dialogue](#), Vancouver, BC

Brain Matters! Vancouver is an exciting venue for researchers, thinkers and members of the public to come together and explore the implications of brain science and social responsibility. This is an opportunity to forge new collaborations, network with peers and experts in all fields of the brain sciences, and engage with the key stakeholders. Join us in expanding the conversation about the ethical, legal and social implications of brain science for promoting brain health and enabling well-being.

PUBLIC EVENT: The conference opens with a keynote lecture by Brain Awareness Week Visiting Professor [Bartha Knoppers](#), followed by a panel discussion featuring Drs. [Wylie Burke](#), [Jason Scott Robert](#), and [Christopher Thomas Scott](#). The event is open to the public free of charge, and will also be streamed live online for those who cannot make it to Vancouver.

LIGHTNING TALKS: Students, postdoctoral fellows, and faculty members are invited to submit abstracts on a topic of relevance to the conference. One author of each abstract will give a five minute lightning talk at the conference. Please note that there will be no poster sessions at Brain Matters! Vancouver.

[Academic Abstract Submissions](#) and [Registration](#) are now open. Visit our program page [here](#) to view a list of confirmed speakers.

Event Reminders
