Upcoming Events

[CMMT Scientific Symposium – Frontiers of Genetic Medicine](#)

Date: November 7, 2011

Location: Chan Centre for Family Health Education, CFRI 9am-7pm

As part of CMMT's 15 year anniversary celebrations, we are hosting the first CMMT Scientific Symposium. The program will include presentations by world renowned scientists addressing new developments in genetic medicine. Scientific sessions will focus on epigenetics, neurodegenerative and neurodevelopmental disorders and the future of personalized medicine. The symposium will culminate in a networking and poster session. This event is free and there will be no reserved seating, arrive early to ensure a spot. For more information please see the website (hyperlink in title).

[Own Your Own Health Community Forum – Let's Talk About: Obstructive Sleep Apnea](#)

Date: November 16, 2011

Location: St. Paul's Hospital; Level 1 Lecture Theatre – Providence Building

What you need to know about the health and safety effects of untreated obstructive sleep apnea. Intended for anyone who has been affected by obstructive sleep apnea, those who are at risk, and those who just want to know more about this medical condition. The presentation will focus on the health and safety effects of untreated obstructive sleep apnea, how to reduce the risks and how to help patients feel better and live more functional and healthier lives. The presentations will also highlight the latest in treatment and research.

[International Technology, Education and Development Conference – Call for abstracts](#)

Date: Abstract Deadline November 24, 2011 (Conference dates March 5-7, 2012)

Location: Valencia, Spain

Abstract submissions are invited for the 6th International Technology, Education and Development Conference (INTED2012) that will be held in Valencia, Spain March 5-7 2012.

It will be an international forum to present and share your experiences in the fields of Education, Technology and Development. More than 600 delegates from more than 60 countries are expected and contributions can be presented in two modalities:

- In person: oral and poster presentations.
- Virtually: if you cannot attend in person.

INTED2012 Abstracts CD and Proceedings CD, both with ISBN, will be produced with all accepted abstracts and papers submitted. For more information please see the website (hyperlink in title).

[Ongoing Events and Seminar Series](#)

Please follow the link above for a list of ongoing events and seminar series that may be of interest to MD undergraduate students.

Additional Research and Scholarship Opportunities

Remember additional research and scholarship information and resources are always available on the FoM Research Office Website, just click on the *MD and Undergraduate Students* tab:
