

## Undertaking of Training Supervisor

By signing below the supervisor and student acknowledge and agree to the following:

- Both parties confirm that they are eligible to apply for a FoM SSRP award.
- **If the FoM SSRP application is successful both parties agree that they will honour their commitment to work together for the duration of the FoM SSRP funding period.**
- The supervisor will be actively involved in the student's supervision and mentoring for the duration of the FoM SSRP.
- The supervisor agrees that adequate resources will be available to cover the costs of the proposed research project.
- The FoM SSRP award is awarded directly to the student and is intended to provide a stipend to a single student for the specified period; the award is not transferrable to another student and is not intended for direct research costs.
- The FoM SSRP award is for a full-time position. As such, if a FoM SSRP award is accepted the student will not accept a scholarship, bursary, studentship, etc. from any other source for the period covered by the FoM SSRP award.
- That the names, contact information and post-project summaries may be made available to FoM SSRP award sponsors and for publicity and reporting purposes.
- Prior to application submission it is expected that the applicants will thoroughly discuss the project parameters and expected deliverables, including any project work to be conducted outside of the funding period. Applicants should also discuss their plans and expectations if their FoM SSRP application is not funded.
- Awards received may be rescinded if program requirements and obligations, including the timely submission of post-project reporting documents, are not met.

Given that the Instructor stream may not necessarily include research/scholarly activity, we are requesting that **applicants with appointments at any rank of Instructor** (only) have their applications signed by their Department Head or School Director (or alternate designated signing authority) as indicated in the [FoM signing authority list](#). Alternatively, for the purposes of this application only, faculty members at the distributed campuses (IMP, NMP, SMP) can opt to have their applications signed by a designated local representative instead of their Department Head/School Director. For the name(s) of alternate signatories or other questions, please contact [fom.ssrp@ubc.ca](mailto:fom.ssrp@ubc.ca) for clarifications. Applicants with any level of professorial appointment do not require this additional signature.

**Declaration for Department/Unit Head (only required if supervisor holds instructor rank):** I confirm that the above named faculty member is engaged in research activities appropriate for a summer student project.
