## In this issue:

### Funding Opportunities and Awards

- American Osler Society William B. Bean Student Research Award
- Cystic Fibrosis Canada Summer Studentships
- Canadian Rheumatology Association Summer Studentship Programs
- Canadian Liver Foundation Summer Studentship

### Upcoming Events

- What's New in Addiction Nursing: Sugar, The Not So Sweet Addiction
- SEMINAR: An Introduction to commonly encountered scenarios in "overviews of systematic reviews"
- Wear Red Canada
- Research to Reduce Rural Health Inequity

### Additional Research and Scholarship Opportunities & Resources

- Code Hack
- Pediatric Neurology Medical Student Summer Research Opportunity

---

## Funding Opportunities and Awards

### [American Osler Society William B. Bean Student Research Award](#)

**Deadline: March 1, 2019**

The American Osler Society's William B. Bean Student Research Award supports research in medical history and/or medical humanities for **medical students** registered at an accredited US or Canadian school of medicine. Students must identify a supervisor in their application. A stipend of \$1,500 will be offered to the student, with an additional up to \$750 to support travel to the annual meeting to present their research. Visit the website for more information on application guidelines.

---

### [Cystic Fibrosis Canada Summer Studentships](#)

**Deadline: March 1, 2019**

Cystic Fibrosis Canada's Summer Studentship awards provide funding to support **undergraduate students** engaged in summer research projects in areas relevant to cystic fibrosis. The award supports projects for the three-month period from June to August. Applicants must identify a supervisor who will then submit the application on behalf of the student. **Please note the application must be submitted through proposalCENTRAL.**

---

### [Canadian Rheumatology Association Summer Studentship Programs](#)

**Deadline: March 4, 2019**

The Canadian Rheumatology Association (CRA) offers two Summer Studentship Programs, between 4-12 weeks from May to August, for **medical students**. There are opportunities for both shadowing a clinician and for rheumatology research. Please visit the website for more information. **Students must be Canadian citizens/permanent residents.**

---

### [Canadian Liver Foundation Summer Studentship](#)

**Deadline: March 31, 2019**

The Canadian Liver Foundation (CLF) is offering three summer studentships for research projects related to radiology of liver disease at the University of Alberta to **undergraduate students** registered at a Canadian academic institution. The project must be supervised by a member of the Canadian Association for the Study for the Liver (CASL). The successful applicant will receive a stipend of \$3,500 plus \$500 for supplies for three months of full-time research between May to August. Visit the website for full application details.

## Upcoming Events

### [What's New in Addiction Nursing: Sugar, The Not So Sweet Addiction](#)

**Feb 6, 2019, 12:00-1:00PM**

Location: Hurlburt Auditorium, St. Paul's Hospital, 1081 Burrard Street, or [webinar](#)

*What's New in Addiction Nursing?* is a lunch-time lecture series which features experts, clinicians and researchers presenting the latest research on evidence-based addiction medicine topics. The lecture will be led by **Dr. Claire Wilson**, Addiction Nurse Practitioner Fellow, BCCSU. Learning objectives of the talk include the effect of sugar on the brain as well as food cravings and its relationship to food addictions. RSVP via the website hyperlinked above.

---

### [SEMINAR: An Introduction to commonly encountered scenarios in “overviews of systematic reviews”](#)

**Feb 13, 2019, 12:00-1:00PM**

Location: Hurlburt Auditorium, St. Paul's Hospital

The Centre for Health Evaluation and Outcome Sciences (CHÉOS) invites you to their Work in Progress Seminar (WiP), led by **Dr. Carole Lunny**, Postdoctoral Fellow, Methodology and Research Synthesis; Cochrane Hypertension Group and Therapeutics Initiative; Department of Anesthesiology, Pharmaceuticals and Therapeutics, UBC.

The presentation will aim to introduce an overview of systematic reviews, describe specific challenges that authors might encounter when performing those, and summarise and explain methods to handle real world scenarios in review overviews.

---

### [Wear Red Canada](#)

**Feb 13, 2019, 9:30AM-12:00PM**

Location: UBC Robson Square C. 300

The Canadian Women's Heart Health Centre invites you to their event which aims to bring awareness to women's heart health. This is a free educational event which will present a panel of clinicians, researchers, and patients who will discuss important issues and experiences related to women's cardiovascular health.

To RSVP, email [mahrazparvand@alumni.ubc.ca](mailto:mahrazparvand@alumni.ubc.ca). See website hyperlinked above for full event details.

February 1, 2019

### [Research to Reduce Rural Health Inequity](#)

**Registration Deadline: February 25, 2019; Event: March 1, 2019, 1:00-6:00PM**

Location: School of Population and Public Health, UBC

UBC's School of Population and Public Health (SPPH) invites you to their event, the SPPH Exchange. The event will include lectures by keynote speakers as well as a series of participatory workshops. It will also include a student social and poster session, offering the opportunity to showcase and receive feedback on research work. Keynote speakers include:

**Stefan Grzybowski, MD, CCFP, MCISc, FCFP**, a Professor in the Department of Family Practice at UBC and a family physician with many years of rural clinical experience.

**Jude Kornelsen, PhD**, an Associate Professor in the Department of Family Practice (UBC), co-Director of the [Centre for Rural Health Research](#) and an Honorary Professor, Sydney Medical School.

To register for the event, visit the website hyperlinked above.

---

### Event Reminders

[Heart + Lung Health Fest 2019 - Poster Competition for Scientific Symposium](#) – Feb 7-8, 2019, Abstract deadline: Jan 10, 2019  
[Clinical Research Ethics Board Office Drop-In Sessions](#) – Every 2nd & 4th Monday of the month

For additional event listing visit: <http://www.med.ubc.ca/current-learners/research/stay-connected/>.

---

### Additional Research and Scholarship Opportunities & Resources

#### [Code Hack](#)

**Application due: Feb 7, 2019; Event: March 8-10, 2019**

Code Hack is a 24-hour long hackathon that focuses on solving some of the most challenging healthcare problems faced today. The event allows for an opportunity to engage with multidisciplinary teams of staff, patients, physicians, industry experts, designers, and students. To apply to be a participant, fill out [this form](#) by **Feb 7, 2019**. For more information, please visit the website hyperlinked above.

**Note: The event will take place in Victoria, BC, as it is an Island Health Event.**

---

### [Pediatric Neurology Medical Student Summer Research Opportunity](#)

The University of British Columbia's Department of Pediatrics, Division of Neurology is inviting medical students to apply for summer research positions with select Principal Investigators at our BC Children's Hospital site. Each medical student will be partnered with a principal investigator and there will be opportunities for presentations and publications. Please contact Conrado ASAP at [Conrado.deguzman@cw.bc.ca](mailto:Conrado.deguzman@cw.bc.ca) for more details.

---

### Reminders

[Hatching Health](#) – DEADLINE EXTENDED: Feb 2, 2019

[UBC Medical Journal \(UBCMJ\) Call for Submissions: Fall 2019](#) – Feb 8, 2019

[UBC Library Resources](#)

[Otolaryngology/ENT Medical Student Interest Group](#)
