## Upcoming Events

### [2019 Norman Bethune Symposium](#)

**April 3, 2019, 7:15AM-4:30PM**

Location: UBC Robson Square Theatre, 800 Robson Street, Vancouver

The Center for Blood Research invites you to its 8<sup>th</sup> Annual Norman Bethune Symposium. This event is a full-day symposium which includes keynote presentations on the topics of red blood cell biology, patient blood management, new developments in platelet products, the appropriate use of blood and blood products and cellular therapies. In addition to hearing from both Canadian and international speakers, there will be talks from those receiving blood products and well as poster presentations by students. Registration for the event is free and can be done via the website hyperlinked above.

---

### [2019 Edge Arts Festival](#)

**April 4, 2019, 7:00-9:00PM**

Location: Vancity Theatre, 1181 Seymour St, Vancouver, BC

UBC's School of Nursing invites you to their centenary celebration: the 2019 Edge Arts Festival. The event provides an alternative presentation of insights into health and well-being through short films, forum theatre, and a board game. This is a fun opportunity to meet health-care professionals as well as to gain insight into wellness in today's society. Tickets are \$10 and can be purchased via the website hyperlinked above.

---

### [The 15<sup>th</sup> D. Harold Copp Lecture](#)

**April 16, 2019, 4:00-5:30PM**

Location: UBC Point Grey Campus, Life Sciences Centre, Room 2

UBC's Department of Cellular and Physiological Sciences invites you to their 15<sup>th</sup> D. Harold Copp Lecture. The talk will be led by Gökhan S. Hotamışligil, MD, PhD, a professor at the Harvard TH Chan School of Public Health, and will cover the metabolic biology of the endoplasmic reticulum in health and disease. For more information please visit the website hyperlinked above.

### Additional Research and Scholarship Opportunities & Resources

#### Canada Diagnostic Centre's Poster Contest

The UBC Radiology Department, in conjunction with Canada Diagnostic Centre, has put out a poster call for electronic posters that cover educational topics. Medical students and PGY1 are eligible and the best poster will win a \$500 prize. The posters must have been produced but not previously submitted, and must be in electronic format. The chosen winner, in addition to the prize, will give a 5 minute podium presentation with 2 minutes for questions. There is no specific limit on the number of slides the poster should have but the range is usually between 10 and 25 slides. The posters are due on **May 8<sup>th</sup>, 2019** and shall be submitted to [susanna.oneil@vch.ca](mailto:susanna.oneil@vch.ca).

### Reminders

[Volunteer Summer Research Opportunity: Use of Nabilone in Palliative Care](#) – email Dr. Pippa Hawley at [hawleyp@mail.ubc.ca](mailto:hawleyp@mail.ubc.ca)

[UBC Library Resources](#)

[Otolaryngology/ENT Medical Student Interest Group](#)
