## In this issue:

### Upcoming Events

SEMINAR SERIES: Centre for Blood Research – Dr. Florian Kuchenbauer  
Patient Oriented Research Workshop  
CHSPR Seminar: Strengthening primary health care systems to achieve universal health coverage  
PHCRI Research Day 2019

---

### Upcoming Events

#### [SEMINAR SERIES: Centre for Blood Research – Dr. Florian Kuchenbauer](#)

**May 22, 2019, 12:30-1:30PM**

Location: UBC Point Grey Campus, Life Sciences Centre 3

The Centre Blood Research invites you to learn about Dr. Florian Kuchenbauer's (Senior Scientist, Terry Fox Laboratory; Associate Professor, University of British Columbia, Faculty of Medicine) current research on "The Secret Powers of Noncoding RNAs in Malignant Hematopoiesis". For more information visit the website hyperlinked above.

---

#### [Patient Oriented Research Workshop](#)

**May 29, 2019, 12:00-1:00PM**

Location: UBC Life Sciences Centre - 1312

UBC's Faculty of Medicine invites you to learn about patient-oriented research through an hour long workshop. The organizers encourage MD students and trainees to attend if their schedules allow. Register by **May 17, 2019** through the website hyperlinked above.

---

#### [CHSPR Seminar: Strengthening primary health care systems to achieve universal health coverage](#)

**June 3, 2019, 12:00-1:00PM**

Location: UBC Point Grey Campus, School of Population and Public Health, Room 424

The Centre for Health Services and Policy Research (CHSPR) invites you to their seminar led by **Dr. Jean Kagubare**, who will discuss the work the Bill & Melinda Gates Foundation is doing to strengthen primary health care systems to achieve universal health coverage. To RSVP, email [chspr.reception@ubc.ca](mailto:chspr.reception@ubc.ca) by **May 30, 2019**.

---

#### [PHCRI Research Day 2019](#)

**June 7, 2019, 9:30AM-1:00PM**

Location: The Century Plaza Hotel, 1015 Burrard Street

Providence Health Care invites you to attend the 15th annual Providence Health Care Research Institute (PHCRI) Research Day event, which aims to highlight the research community's accomplishments over the past year. The event provides an opportunity to network, browse exhibits from research groups, and listen to speakers. To RSVP, email [research@providencehealth.bc.ca](mailto:research@providencehealth.bc.ca) by **May 31**.

---

## Reminders

**Medical Student Summer Research Scholarship** – email Dr. Gregory Walker at [gregorywalkerubc@gmail.com](mailto:gregorywalkerubc@gmail.com) by **May 31, 2019**
