## Funding Opportunities and Awards

### [Child Neurology Foundation Neurodevelopmental Disabilities \(NDD\) Summer Research Scholarship](#)

**Deadline: April 13, 2020**

The Child Neurology Foundation is offering one summer clinical research scholarship for a **1<sup>st</sup> or 2<sup>nd</sup> year MD student** at a US or Canadian university interested in the field of neurodevelopmental disabilities (NDD) in children. The successful applicant will receive a scholarship of \$3,500 to support a summer research project under the mentorship of a child neurology/NDD specialist.

**Please visit the website via the hyperlink above for more information.**

---

## Funding Reminders

[UBC Department of Pathology and Laboratory Medicine Summer Student Fellowship Program](#) – March 13, 2020 at 4:00 pm

[UBC Centre for Blood Research Summer Studentship Program](#) – March 30, 2020

For additional funding opportunities visit: <http://med.ubc.ca/current-learners/research/funding/>.

---

## Upcoming Events

### [CGSHE Speaker Series: Lesbian, gay, bisexual, transgender, queer, and Two Spirit \(LGBTQ2S+\) aging: Foregrounding the intersection](#)

**Date: March 19 from 12:00-1:00 pm**

Location: Hurlburt Auditorium (SPH 2200), St. Paul's Hospital, 1081 Burrard Street

This installment of the CGSHE Speaker Series will feature Dr. Hannah Kia, an assistant professor at UBC's School of Social Work. Dr. Kia's current program of research addresses aging in lesbian, gay, bisexual, transgender, queer, Two Spirit, and other sexual and gender minority communities. She is interested in examining expectations and experiences of aging in trans and gender diverse communities. **If you would like to attend this lecture and hear more about Dr. Kia's research, please RSVP via the hyperlink above.**

---

### [Digital Detox: Review of Internet Gaming Disorder](#)

**Date: March 24 from 12:00 – 1:00 pm**

Location: SPH 1500 Lecture Theatre, 1081 Burrard Street

What's New in Addiction Medicine? is a lunch-time series featuring local and international experts, clinicians, and researchers who will deliver the latest research and information on novel, evidence-based addiction medicine topics. This lecture will discuss the epidemiology, etiology, and risk factors for internet gaming disorder, evaluate the data on neuroimaging findings and comorbid psychiatric illness, and review the evidence for non-pharmacological and pharmacological treatment options. **Please RSVP via the hyperlink above.**

---

## Event Reminders

[Building the Future: Faculty of Medicine Research Trainee Day & Lecture Series](#) – May 1, 2020 from 9:00 am – 6:00 pm with reception to follow

For additional event listing visit: <http://www.med.ubc.ca/current-learners/research/stay-connected/>.

---

## Additional Research and Scholarship Opportunities & Resources

### [2020 Brain Health Symposium: Healthy Bodies, Healthy Brains – Call for Abstracts](#)

**Deadline for abstracts: Monday, April 13<sup>th</sup> at 11:59 pm PST**

**Date: Wednesday, May 13<sup>th</sup>-Thursday, May 14<sup>th</sup> from 8:00 am – 5:00 pm**

Location: Cecil Green Park House, 6251 Cecil Green Park Road

The Physical Activity for Precision Health Cluster invites you to the 2020 Brain Health Symposium, a two-day event. The symposium will bring together world-class experts to discuss the role of lifestyle strategies for promoting cognitive and brain health. The symposium will also include poster presentations and a speed networking session for trainees. The call for abstracts

## Student Research News e-bulletin

March 13, 2020

for poster presentations is now OPEN! Trainees from all levels (**undergraduate, graduate, and postdoctoral fellows**) are highly encouraged to submit their brain health-related research. The poster session will take place on Wednesday, May 13<sup>th</sup> and will provide trainees with the opportunity to interact directly with the guest speakers. **To submit your abstract and/or to register for the conference, visit the website via the hyperlink above.**

---

### **[2020 Convening & Collaborating \(C2\) and Reach](#)**

**Deadline: April 27, 2020**

Michael Smith Foundation for Health Research presents the 2020 Convening & Collaboration and Reach competitions. These awards are knowledge translation awards designed to foster collaboration between researchers and research users, support the co-development of research questions and the dissemination of research evidence. Each award provides a maximum of \$15,000 for up to 12 months. **Trainees are eligible to be co-applicants/leads. All details regarding eligibility requirements and information on how to apply are available via the hyperlink above.**

---

### **Reminders**

**[Building the Future: Faculty of Medicine Research Trainee Day & Lecture Series](#)** – CALL FOR SUBMISSIONS

Deadline for poster presentations: Friday, April 24, 2020 at noon (PST) or until all spots are filled.

**[Dalhousie Department of Psychiatry Annual Student Writing Competition](#)** – May 1, 2020

**[Biospecimen Research Methods](#)** – No deadline

**[Letter of Intent for UBC/AWS Community Health and Wellbeing Cloud Innovation Centre Project](#)** – Deadline TBD
